Know basic Sign Language

I understand that 4-H Camp Counselors have a great deal of responsibility in providing guidance, care, and supervision of 4-H Campers and fellow camp staff. As such, I will be required to attend frequent trainings, meetings, and classes to prepare for 4-H Camp. I understand that I will be required to be certified in First Aid and CPR. I understand that the 4-H Office may contact my parents, club leaders and 4-H volunteers as part of a screening process for camp staff. I also understand that failure to meet the requirements set forth and / or the Maryland 4-H Behavioral Expectations will result in my dismissal from camp, camp trainings, and possibly all future 4-H activities. I will strive to give my best and *to make my best better* through my participation in Frederick County 4-H Camp as a Camp Counselor.
